

CANSEE Canadian-Serbian Business Association

<http://www.cansee.biz>

Bilateral Meetings

- November 4, 2015 (10:30 a.m. - 3:00 p.m.)

Description

The inception of CANSEE affords Canadian and Serbian businesses the opportunity to network and grow each other through collaboration, and utilize CANSEE as a representative ambassador to further the cross-nation brands of all companies represented. Through an 11 member Board of Directors structure along with a different Industry Advisory Boards, CANSEE aims to offer help and support necessary to enhance the economic relationship between Canada and Serbia to a level that is commensurate with that of Serbia's European neighbours.

Vice President & General Manager Europe

Dominion Voting Systems, Toronto, Canada

GORAN OBRADOVIC is a co-founder of Dominion Voting Systems and presently acts as the Vice President of the Product Management and General Manager of Dominion Voting Belgrade. He is coordinating product development activities in Dominion R&D centers in Toronto, Denver and Belgrade, with the emphasis on Dominion Voting's Democracy Suite® product line. Democracy Suite® includes products such as Election Management System and variety of ImageCast® ballot marking and tabulation products, which unify all voting methods (in-person voting, accessible voting and remote voting) under a single programming and vote tabulation management system.

Goran also works very closely with Dominion's industry partners all over the world including Microsoft, Dell, Cisco, Samsung, APS, Canon, etc. Prior to joining Dominion Voting, Goran was working for Motorola Canada, NEC USA, Enterasys Networks and Bank of Montreal (BMO) in US and Canada. In addition, Goran is acting President of the Board of Directors for the CANSEE - Canadian-Serbian Business Association.

Goran holds a Bachelor of Science in Electrical Engineering from University of Belgrade and Master of Engineering in Electrical and Computer Engineering from the University of Toronto.
