Bilateral Meetings

- November 4, 2015 (10:30 a.m. - 3:00 p.m.)

Description

Valeant Pharmaceuticals International Inc. is a diverse and decentralized pharmaceutical company. Established in 2006, what started with packaging a few well known products has since grown up to 65 different medical products in the form of tablets, coated tablets and capsule, distributing these in non-EC PharmaSwiss markets.
