Bilateral Meetings

- November 4, 2015 (10:30 a.m. - 3:00 p.m.)

Description

Zastava Arms develops and exports a wide range of hunting and sporting weapons to over 40 countries worldwide. Permanent investment in education of staff and purchase of state-of-the-art computer equipment and technology has enabled the company to be competitive in the world market. In 2003, Zastava Arms became a part of the Defense Industry of Serbia, and is on the United Nations list of proven suppliers for arms and military equipment.
