Bilateral Meetings

- November 4, 2015 (10:30 a.m. - 3:00 p.m.)

Description

Mundoro focuses on promising investments in mineral projects. Currently, its strong pipeline project in Serbia and Bulgaria, as well as mineral interests in China and Mexico are driving the company towards long-term growth. Mundoro strives to use its international expertise in mineral finance, project evaluation, exploration and project development, to grow its, as well as long term shareholder, value.
